## RULES AND REGULATIONS

These Rules and Regulations govern the furnishing of water service by Kingston-Terrill Water District hereinafter referred to as the District and apply to all service received from the District. No employee or individual Commissioner of the District is permitted to make an exception to these Rates, Rules, or Regulations. These Rules and Regulations are to be in effect so long as they are not in conflict with the Kentucky Public Service Commission's Rules and Regulations (807 KAR 5:001-5:076). The District is subject to all Rules and Regulations of the Kentucky Public Service Commission even though not Contained herein.

### 1. Scope

This Schedule of Rules and Regulations is a part of all contracts for receiving water service from the District, and applies to all service received from the District whether the service is based upon contract, agreement, signed application, or otherwise. A copy of this schedule, together with a copy of the District Schedule of Rates and Charges shall be kept open to inspection at the office of the District. The rules are promulgated under direction and authority granted pursuant to chapter 5 of Kentucky Administrative Regulations (807 KAR 5). The aforesaid rules and regulations are hereby adopted and included the same as if herein written.

### 2. Revisions

These Rules and Regulations may be revised, amended, supplemented, or otherwise changed from time to time by either of the two (2) following methods:

**RULES AND REGULATIONS**

A. By order of the Kentucky Public Service Commission upon formal application by the District, and after hearing as provided by Commission Regulation set forth in 807 KAR 5:011.

B. By issuing and filing on at least thirty (30) days notice to the Kentucky Public Service Commission and the public all proposed changes in the Rules and Regulations, as provided by Commission Regulations set forth in 807 KAR 5:011.

3. Conflict

In case of conflict between any provisions of any rate schedule and the schedule of rules and regulations, the rate schedule shall apply. Also, should the rules contained herein conflict with rules in effect under 807 KAR 5, the provisions of 807 KAR 5 shall take precedence over those contained herein.

4. Application for Service

Any person, firm, agency or governmental entity within the current boundary of the District may request service. Applications for service must be in writing on a form approved by the District.

Each applicant for service shall be required to execute and sign the District's standard application for water service before service is supplied by the District.

RULES AND REGULATIONS7. Customer's service line

All service lines beyond the metering point should be installed of material consisting of copper, galvanized, PVC or PE pipe with rating not less than 150 psi. The size of service line beyond the point of delivery should not be less than 3/4". The District will not set a meter on the customer's service line at a point that does not deliver 30 psig at the meter.

Should an applicant for service desire a higher pressure due to his location or need, he may make provision for an individual pressure booster system. The manner of connection, location cross-connection protection and type is subject to approval by the district. The District reserves the right to require discontinuance and disconnection should the private booster system have a detrimental effect on District's system.

8. Ownership of Mains, Services & Appurtenances

All mains, fire hydrants, valves, crossings and other appurtenances are and shall remain the property of the District, whether installed by the District or the customer.

All service lines from main to meter with appurtenances shall be and remain the property of district, whether installed by the District or the customer.

The customer shall install, own and maintain his service line from meter and/or point of delivery as defined herein.

9. Discontinuance of Service by District

The District may refuse or discontinue service to an applicant or customer in accordance with the provisions of subsections (1) and (3) of 807 KAR 5:006(11) of the regulations of the Public Service Commission. A copy of Public Service Commission Regulations are attached to these Rules and Regulations. Seven specific reasons for discontinuance of service are listed as follows:

RULES AND REGULATIONS

Bills for water service are due and payable at the office of the District, or to any designated agent on the date of issue. The past due date shall be the tenth (10) day of the month. Bills will be dated and mailed on or about the thirtieth (30th) of each month. A bill not paid on or before the past due date shall be deemed delinquent, therefore, a 10% penalty will be applied to the bill.

11. Discontinuance of Service by Customer

Any customer having fulfilled their contract terms and desiring to discontinue the water service to his premises for and reason must give notice of discontinuance in writing at the business office of the District at least three (3) days prior to the date on which the customer desires to discontinue service. If such notice in writing is not given, a customer shall remain liable for all water used and service rendered to his premises by the District until said notice is received by the District.

12. Reconnection Fee

PUBLIC SERVICE COMMISSION  
OF KENTUCKY  
EFFECTIVE

Where the water supply to the customer has been discontinued for non-payment of delinquent bills, a charge of \$25.00 will be made for reconnection of water service, but the reconnection will not be made until all delinquent bills and other charges, if any owed by the customer to the District, have been paid.

14. Adjustment Relative to Erroneous Meter

If a meter is inaccurate in excess of  $\pm 2\%$ , whether upon periodic testing or upon requested testing, additional tests shall be made at once to determine the average error of the meter, and the adjustments shall be made in the customer's water bills as follows: per subsection (1) of 807 KAR 5:006.(9):

- A. If the result of such tests shows an average error greater than 2% fast, the customer's bill for the period during which the meter error is known to have existed, shall be recomputed and the account adjusted on the basis of the test. If the period during which the meter error existed cannot be determined, then the customer's bill shall be recomputed for one-half ( $\frac{1}{2}$ ) of the elapsed time since the last periodic test, but in no event to exceed 12 months. If however, the time for a periodic test has overrun to the extent that  $\frac{1}{2}$  of the time elapsed since the last periodic test exceeds 12 months, the refund shall be for the 12 months specified above, plus those months exceeding the periodic test period. The Kentucky Public Service Commission may not require a refund for the overrun period if failure to make the periodic test was due to causes beyond the control of the District. See subsections (2), (4), and (5) of 807 KAR 5:006.(9).

- B. If the result of such tests shows an average error greater than 2% slow, the customer's bill for the period during which the meter error is known to have existed, shall be recomputed and the account adjusted on the basis of the test. If the period during which the meter error existed cannot be determined, then the customer's bill shall be recomputed for one-half ( $\frac{1}{2}$ ) of the elapsed time since the last test, but in no event to exceed 12 months, Per subsection (3) of 807 KAR 5:006.(9).

- C. If the result of such tests necessitates making a refund or back billing a customer, the customer shall be notified in writing of the percentage of error, fast or slow, the date of testing, and the amount of charge or credit to be shown on the bill of the customer in accordance with subsection (8) of 807 KAR 5:006.(9).

15. Meters

All meters shall be installed, renewed, and maintained at the expense of the District, and the District reserves the right to approve the size and type of meter used. It shall be the policy of the District to test each water meter pursuant to Public Service Commission Regulation 807 KAR 5:066 Section 17. In addition, upon written request of any customer, the meter servicing such customer shall be tested by the District, pursuant to Public Service Commission Regulation 807 KAR 5:006, Section 20.

16. Failure of Water Meter

Where a meter is found to be in error, the customer's bill will be adjusted in accordance with Section 14 herein per Kentucky Public Service Commission Regulation 807 KAR 5:006, Section 9. Where a meter has ceased to register, the District will estimate the monthly bill of the customer for the month that the meter is replaced. The estimated bill will be based upon the previous six month's usage.

17. Right of Access

the customer must agree to permit the District to lay, maintain, repair, or remove its water lines that are located on the customer's property with the right of ingress-and-egress over customer's property. 18. Interruption of Service

The District will use reasonable diligence in supplying water service, but shall not be liable for loss, injury, or damage to persons or property resulting from interruptions in service, excessive or inadequate water pressure. The District does hereby explicitly state that its system is one for rural domestic consumption and that its allowance of connections to its system for fire protection whether by design or implication is only for such benefit as a customer may be able to drive from such connection.

The District's system is not designed nor intended for use for fire protection in any manner whatsoever. Any customer using same for fire protection does so at their own full and sole responsibility. The District reserves the right to deny fire hydrant's or fire protection, if deemed detrimental to the District in part and/or whole, either by pressure or water quality.

The District shall in no event be held responsible for any claims made against it by reason of breaking of any mains or service pipes or by reason of any other interruption of the supply of water caused by the failure of machinery or stoppage for necessary repairs. No person shall be entitled to damages nor for any portion of a payment refunded for any interruption of service which in the opinion or the District may be deemed necessary.

The District shall make all reasonable efforts to eliminate interruption of service and when such interruptions occur will endeavor to restore service with the shortest possible delay. When the service is interrupted, all consumers affected by such interruption will be notified in advance whenever it is possible to do so.

provision shall be subject to any liabilities which may be determined by a court of law having jurisdiction over the parties, and/or discontinuation of water service in accordance with these regulations. Request court costs to be assessed against.

Any person, firm or organization involved in work around or near District's distribution mains or appurtenances may request the District to indicate location of same. However; indication by District of same does not relieve such person of complete responsibility and liability for any and all damages, liability and loss resulting from any act of such person or his assigns and/or agent, as may be determined by a court of law having jurisdiction over the parties.

24. Additional Service Volumes

Each service connection has been sized to provide the volume of water indicated in the customer's application for service. Customer's should be aware that significant increases in this volume may adversely affect quality of service and could damage facilities used to provide service. The customer is, therefore, obligated to inform the District of any actions they will require a significant increase in this volume and must obtain the District's approval before such actions are taken. Failure to notify the District or to obtain it's approval for such actions renders the customer liable for damages to District facilities that are caused by such actions.

25. Notice of Trouble

The customer shall notify the District immediately should the service be unsatisfactory for any reason, or should there be any defects, trouble or accidents affecting the supply of water.

1. Service Reconnection Charge. A charge of \$25.00 shall be made for all service reconnections made during regular working hours. If service is reconnected other than during regular working hours, the charge shall be \$30.00.
2. Meter Reading Recheck Charge. A charge of \$15.00 shall be made for a trip to recheck a meter reading when the customer requests the meter to be rechecked for a correct reading and the meter was not misread.
3. Meter Test. Upon request and payment of \$25.00, a customer may have his meter tested, provided request by the customer is not more frequent than once each twelve months. If such test shows the meter to be more than two percent fast, a refund of the \$25.00 charge shall be made and the bill adjusted accordingly. If the periodic testing requirements of 807 KAR 5:066 (17) has not been met for meter tested, no charge will be made for the test regardless of the results of the test.
4. PSC Meter Test Complaint. Any customer of the District may request a meter test by written application to the Kentucky Public Service Commission. FEB 01 1987
5. There will be a \$15.00 service charge to transfer an account, or open an account on existing service. BY: *J. Leoghegan*
6. Contribution in Aid of construction. The established contribution fee is based on the size of the installed metering equipment as noted below:

5/8 X 3/4 inch meter-----\$500.00

1 inch and larger meters-----Actual Cost of Installation.
